

Aberfoyle Park Primary School Campus

Dear Campus Families,

As Campus leaders, we are writing to seek your support for further volunteers in the Campus Canteen. We are currently relying upon a few helpers who are coming in weekly to assist Maggie Stanley our Canteen Manager.

The Campus Canteen has undergone some significant changes in recent times to ensure we are providing the healthy options as part of our service to the Campus community. The facility is also supporting the Campus Kids Play Café option to the wider community. It is important that students have the option of a school Canteen as they start to understand money and the choices they make about their spending.

We are thankful for the support we currently receive from a small group of volunteers but we do need more. The children certainly enjoy seeing their parents in the Canteen for that special treat. If you are able to assist please return the slip below to your schools Front Office. Even if it is only once a term, the extra help will make a difference.

Please note: You will require a DCSI and Catholic Police clearance to volunteer on Campus. This is administered through the Thiele office and at no cost to volunteers. Just call into the Thiele Office to collect the relevant paperwork.

Thank you for your anticipated support. Maggie Stanley will appreciate any offers of help and will be in contact in due course.

Yours Sincerely

Mr Andrew Edmondson
Principal
Pilgrim School

Mrs Sharon Willoughby
Acting Principal
Thiele Primary School

Mr Greg Haynes
Principal
School of the Nativity
